

JULY NEWSLETTER

We at Celebrate Gymnastics Club would like to say that we have had a fabulous time meeting all the new gymnasts during this first month at Celebrate Gymnastics Club and hope that your gymnast is enjoying the experience as much as we are.

Please have a read of the information below to help keep you up to date with what's happening at the club.

The newsletter will also be published on our website and from next month will be in an online format only to help protect the environment.

Can you please share your experience with us so we can promote the club via social media.

COVID 19
As of the 19th of July the viewing area will be open.
As COVID numbers are still rising we would ask parents to consider not using this area for the time being, additionally those that view wear masks whilst in this area to reduce the possibility of infection for our coaches and gymnasts.

Gymnast of the Month

This month coaches will be nominating a Gymnast of the Month for each session. Gymnasts will receive a Certificate telling them why they were recognized. We will take a picture of the gymnast and then post these on the website and as a post on our social media platforms. If you would not like your child to be photographed please contact the office.

Leotards

Please remember that once gymnasts have progressed through their trial period the club requires them to wear a leotard. These can be purchased at On Your Toes at Barleylands where you will receive a 15% discount or from the internet.

Polite Request Could we ask parents to be mindful of other users of Barleylands Village when collecting their children.

BAGA Awards Scheme

We will be starting the children on the BAGA Proficiency awards programme this month and you will be able to track their progress in the LoveAdmin app. If your child has completed any of these awards can you please let the office know.

Jewellery

British Gymnastics stipulates gymnasts are not permitted to wear earrings, necklaces, watches or fitbits whilst participating in the sport. Could we please remind parents to take these from the children prior to entering the gym.

IMPORTANT INFORMATION – BRITISH GYMNASTICS MEMBERSHIP

Could you please ensure that once you have paid the club membership that you register your gymnast with British Gymnastics to ensure their continued insurance cover. If a child is not registered with British Gymnastics they will not be allowed to enter the gym until they have done so. Thank you for your help. Angela
